**WHEREAS**, Lewisville Park was built in 1930 and remains one of Clark county's oldest regional parks; and

**WHEREAS**, Lewisville Park was listed on the national register of historic places in 1986; and

**WHEREAS**, State route number 503 is a major north/south highway that bisects the city of Battle Ground and provides a connection between the city of Vancouver to the south and rural communities to the north; and

**WHEREAS**, in 1855, a conflict between the Klickitat Indians and the inhabitants of Fort Vancouver was avoided, and the area later became known as "Strong's Battle Ground"; and

**WHEREAS**, State route number 502 to the Battle Ground Highway provides a recognizable name to this rather lengthy connection between Interstate 5 and the city of Battle Ground; and

**WHEREAS**, State route number 502 is a major east/west highway that provides a four-mile direct connection to the city of Battle Ground from Interstate 5;

**WHEREAS**, the sixty first Legislature passed and the Governor signed Senate Joint Memorial 8006 requesting the Transportation Commission to commence proceedings to name state route number 502 and a portion of state route 503 to reflect the history of the town of Battle Ground, Washington and its surrounding area;

**NOW, THEREFORE, BE IT RESOLVED**, that the Washington State Transportation Commission does hereby name state route number 502 the "Battle Ground Highway" and state route number 503 from the junction with state route number 500 at Orchards, thence northerly to a junction with state route number 502 at Battle Ground, thence northerly to Amboy, the "Lewisville Highway."

**NOW, THEREFORE, BE IT FURTHER RESOLVED**, that the Washington State Transportation Commission directs the Department of Transportation to provide signing reflecting these naming designations accordingly.

**ADOPTED this 20th day of May, 2009.**
